Leaving School

We have started to open the extra gate on the front yard, please make full use of this and please **DO NOT leave via the car park exit,** Also please be careful with **children opening car doors**, especially if they have to get out of the car and onto the road, we have had a few close calls reported for both instances!

We are also having problems with a handful of children not going home straight from school, we have a duty to try to ensure your child gets home safely, children have been playing near the shops and on the Christian Centre car park climbing the trees, we have spoken to the children but please help us to get this message across to them, they really need to come straight home from school so you know where they are.

Head lice

Head lice is becoming an issue again in school, please use the Easter Break to check your child's hair and treat if needed.

Easter Bingo

Thank you for the support during Easter Bingo, these events are getting more popular every year and are a great fund raiser for school, we raised over £170 which will be put towards subsidising the cost of this years Tower Wood trip.
