

Diary Dates

Dance Club

- Year 3 & 4 - Thursday - 3:15pm - 4pm

Coding Club

- Yr 5 & 6 - Thursday 3:15pm - 4pm

Attendance

You may have heard that this years main focus is on attendance and punctuality. OFSTED informed us that we are in the lowest 10% nationally for both. This has led us to think of ways of improving it and offering rewards for children who are in school regularly - Some ideas we have had are a disco every half term, prizes and raffle tickets for vouchers and free entry tickets etc we are also going to be having an end of year reward trip to MFA bowling (TBC) Keep an eye out for information coming out soon

Pe Kit & Uniform

The PE Kit we ordered from Bang Bang has been held up and isn't with us just yet, we will let you know the moment it arrives. We have also been asked if parents can buy plain hoodies and joggers for PE instead of the emblem ones, as we do try to keep our uniform costs as low as possible so we have allowed parents to do this, we do ask that these are the correct shade when bought. Could you also please ensure that all clothing is labelled clearly.

School Grounds

As you're aware we are asking parents and people collecting children from school to not come on the premises until 3:05pm. This is to help safe guard the children and something that was noticed by OFSTED. The gate has to be left open due to health and safety reasons and access, but it may be pushed to, if you're picking a child up from nursery then this can be done at any time. Also any equipment that is on school grounds is for use in school time by the children, this equipment isn't supervised and children can hurt themselves on it.

New Starters

Its not just new children we have this year, we also welcome a few new members of staff.

We Welcome Miss Wilson, who is the new Silver Class Teacher. (Year 4).

We also have a new Teaching Assistant in Silver Class, Miss Brogan.

The welfare positions advertised last year have been filled by Mrs Ağıç and Mrs Greaves.

They're already settling into their new positions well and we wish them every success with us!

Social Media

Please be aware of what your children are accessing and what apps they have, Social Media is for children 13 and over and therefore non of our school children should be accessing Facebook, Twitter etc. We are duty bound to report anyone who we find to be using these.
