Ellison's Taekwondo grading will be taking place in the School Hall on the 20th December from 3:15pm - 4:15pm. If your child has been learning Taekwondo then please join us to watch them be graded. Please note only families or relatives of children taking part may attend.

Good Luck to all the children taking part.

Toy Day

On Thursday 21st December we will be having a toy day. Children can bring in a toy or game of their choice to play with during the day - no electrical games or toys please. It is great to see the children bring in a game or toy that they can play with their friends and interact with each other.

On Christmas Party day children can wear their party clothes. Please think sensibly about this, we cannot allow children to play games or join in the fun in the hall if they aren't wearing sensible shoes. Children should have brought a letter home from their Class Teachers explaining what food items to contribute to their classes party.

Merry Christmas

We'd like to thank you for all the support throughout 2017, Merry Christmas from all of the staff at school and we hope that 2018 bring you all the happiness you wish for . We're already looking forward to all the exciting things we've planned for next year.
