Talent Show

Talent show auditions for Pool House has Talent will be during the day on Friday 9th February. So get your act together - only 12 acts can go through this year

Attendance

Our third attendance party is coming up next week - as you may be aware during the most recent OFSTED inspection attendance was flagged up and we were advised to try and improve it, with that in mind we are getting a few holiday requests recently - unfortunately the majority of these requests have to be turned down and will result in parents receiving fines

PNE

Year 6 are going to watch PNE play football tomorrow. They will be taking part in a half time penalty shootout against another local school. Each child that has been chosen has been given a free ticket as well as a free ticket for a parent to come and watch too. Good luck to everyone who has been chosen!

Office Legend

As you may or may not know Mrs Gates has been off for quite some time due to illness - she's back with us now and working her way through the mountain of paperwork that was waiting for her - we are SO glad she's back
