World Book Day

World Book Day is on Thursday 3rd March 2016, this year we have chosen to wear our pyjamas. Please make sure your child has a warm coat and will be warm enough for playtimes.

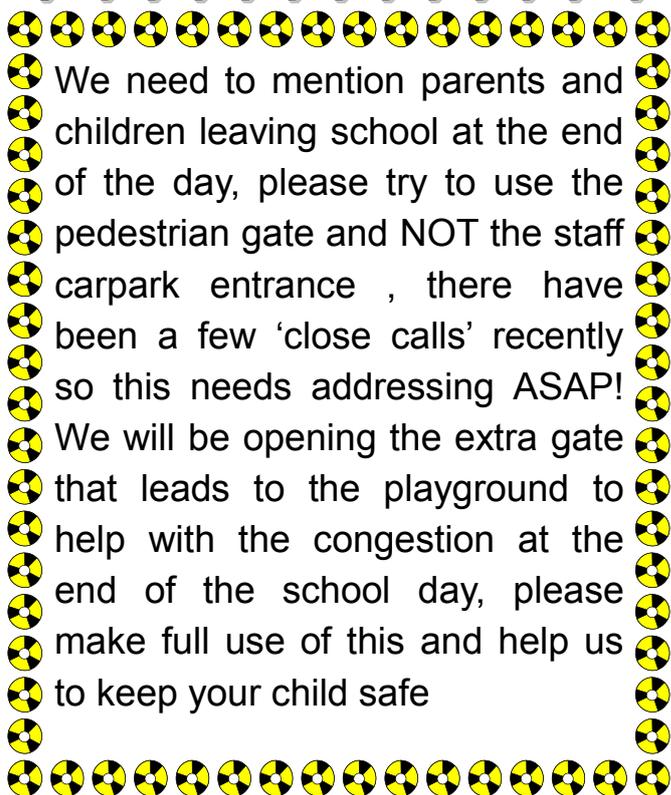

Can we say a massive thank you to all parents and people who sponsored us during our various sponsored events

Nursery

Nursery are looking for resources such as bark, pebbles, railway sleepers etc

They are also looking for old kitchen utensils , pots, pans, cutlery etc - these are just for the children to experiment and play with so slight damage or scratches is absolutely fine, if in doubt, please donate what you think and they will happily sort through what they need

We need to mention parents and children leaving school at the end of the day, please try to use the pedestrian gate and NOT the staff carpark entrance , there have been a few 'close calls' recently so this needs addressing ASAP! We will be opening the extra gate that leads to the playground to help with the congestion at the end of the school day, please make full use of this and help us to keep your child safe

Social media

We are very concerned about the amount of children that are using social media at the moment - there is a law put into place to protect young people from the dangers that **DO** come with these sites.

The Law states that 'Children **UNDER 13** are **NOT ALLOWED** a social media account', including Facebook, Twitter, Instagram, Snap Chat etc.

As a 'professional body' we have a duty of care towards your child(ren), this means that we have to report any concerns that we have to the correct authority - we are required by law to do this!

As the legal age is 13 **NO CHILD** in our school should be signed up to ANY KIND of social media - children that disclose this information to us will be reported to the correct authority for them to take further action.
